

Northern New England Chapter
Society of Industrial Archeology Fall Tour

Glens Falls Feeder Canal and Old Champlain Canal
Saturday October 13th beginning at 11 am

Meeting at 11 am at the Historic Coal Silos at Griffin Lumber
72 Maple St. , Hudson Falls, New York.

Tour sponsored by the Feeder Canal Alliance of Glens Falls, NY
www.feedercanal.org

The Glens Falls Feeder Canal, built in the 1820's is still a working feeder for the Champlain Canal

Features of the day include:

- Walks to the Flight of Five Locks, and 8 other Feeder Canal Locks all of which are no longer used as working locks.
- Short PowerPoint presentations on the history of the Glens Falls Feeder
- View dioramas of the Glens Falls Flight of Five Locks and Griffin Lumber Company
- Visit five preserved Coal Silos with a coal car (Each Silo 32' in diameter 58' high)
- View Lime Kilns near Lehigh Cement Co

Picnic Lunch will be provided.

If you have special lunch needs, kindly bring your own lunch or we will recommend a deli nearby. For more information and to make a reservation please call or email the Feeder Canal Alliance office

jwilliams@feedercanal.org , call 518-792-5363 (you may have to leave a message)
