

## SNEC-SIA TOUR

OLD SCHWAMB MILL  
ARLINGTON, MASS.  
July 18, 2023

Old Schwamb Mill is the oldest continuously operating mill in the United States. The tour will go behind the scenes to see a water turbine and steam boiler house, as well as a wood turning operation by which round and oval picture frames are made on an elliptical lathe.

Date, Time:  
Tuesday July 18, 2023  
Start time: 10 a.m.  
Duration: for about two hours

Address:  
17 Mill Lane Arlington, Mass.  
<https://oldschwambmill.org>

RSVP:  
Betsey Dyer  
[bdyer@wheatoncollege.edu](mailto:bdyer@wheatoncollege.edu)  
Please provide your name, email address, and a cell or other phone contact, so that we can contact you with any changes or last minute-information.

Some Logistics:  
Site has lots of parking. Also, they are near bus stops along Mass Ave. and are on the Minuteman commuter bike path. They are air conditioned! They are NOT wheelchair accessible.

For those lingering in Arlington through lunchtime:  
A restaurant "Jimmy's Steer House" (1111 Massachusetts Ave, Arlington) is nearby "Ginger Exchange Express" (1181 Massachusetts Ave) has take out food.  
And Arlington has many other restaurants.

For Worcester Lunch Car fans:  
The Deluxe Town Diner, 627 Mt Auburn Street, Watertown  
Wilson's Diner, 507 Main Street, Waltham  
And an O' Mahoney's diner: Kelly's Diner, 647 Broadway, Somerville
